Read through all instructions before beginning.

WOF=Width of Fabric

Instructions Based on 42" fabric width

Fabric Selection:

- To construct block as shown, select one medium (Fabric 1) background (light/Fabric 2), and one dark (Fabric 3) value fabric.
- Note: The large blocks are an ideal spot to highlight larger print fabrics.

Recommended Rulers:

- Quilters Select 6.5" x 24" Non-Slip ruler
- Quilters Select 6.5" x 6.5" Non-Slip Ruler

Cutting:

(1) Medium Fabric :

Cut 8: 6 1/2" squares

(2) Light/background fabric:

Cut 4: 2 1/2" x WOF

(3.) Dark Fabric

Cut 2: 2 1.2" x WOF

Cut 8: 6 1/2" x 2 1/2" units

Notes:

Fabric 1 units are a GREAT place to showcase larger scale prints or practice fussy cutting techniques.

Depending upon actual width of fabric and need for straightening the edge, it may be possible to cut the pieced units from two strips of Lt Fabric 2 and one strip of fabric Dk Fabric 3. Cutting four and two respectively allows for a margin of error.

Strip Set: Make 2*

- Stitch a Lt Fabric (2) strip to each side of a Dk Fabric (3) strip.
- Press toward the Dk Fabric. Strip set should measure 6 1/2" wide.

**Depending upon width of fabric/accuracy in cutting and piecing, units may be able to be cut from one strip. See cutting notes.*

- Cross cut 2 1/2" units : 16 strip units.
- Each segment should measure 2 1/2" x 6 1/2".

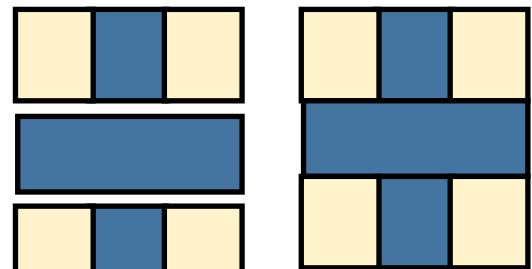

Tip: Note that the center seams lines should be perpendicular to the edge being cut. Trim slightly as needed to keep the units squared up.
