Instructions-

- Read all instructions carefully before cutting.
- Use 1/4" seam allowance unless otherwise stated.
- Press seam allowance as shown by arrows.
- I recommend starching fabric before cutting. It will make cutting and sewing easier, especially when working with smaller pieces.
- WOF means width of fabric. (Based on 42" wide fabric.)
- FQ means a fat quarter cut of fabric.

* Block showcased in fabrics from the Color Club Collection.

Block Assembly

Follow the steps below to assemble the block. Instructions shown are for the assembly of a 12" x 12" finished block. Use 1/4" seam allowance and press seams as shown by arrows.

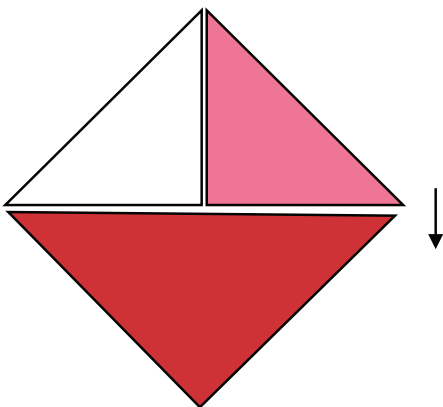

Step 1

Sew the 5 1/2" quarter-square triangles together as shown. Press seam allowances towards the light fabric. Make four units, with color placement identical in each unit.

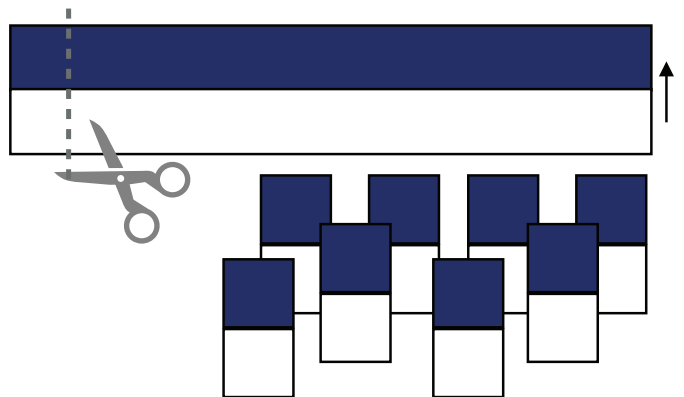

Step 2

Sew a red fabric triangle to each unit from the from the previous step, matching the centers. Press the seam allowance towards the larger triangle and trim to 4 1/2" x 4 1/2".

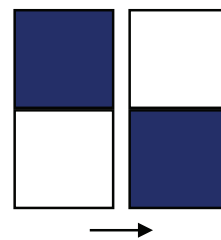

Step 3

Create the corner units with strip piecing. Sew the long edges of the background and navy fabric strips together. Press the seam allowances towards the navy fabric. Cut eight segments 2 1/2" wide.

Sew pairs of segments together to complete the corner units.
