DESIGN N STITCH ALONG

with Quilters Select

- Stitch units together in pairs to form 4-patch units, nesting the seams to keep the centers aligned.

Make 4

- Carefully remove the stitches that cross the intersection of the seam allowance. Gently pull the seam allowance at center intersection open.

- Working from the wrong side of the unit, press the seam allowances toward the light fabric. The seam allowance at the center of the unit will open up resembling a small 4-patch unit.
- Using this method distributes the bulk to create a flat unit.

*Press seam allowance to
the light side.*
