

2025 Color Play Sampler with Quilters Select

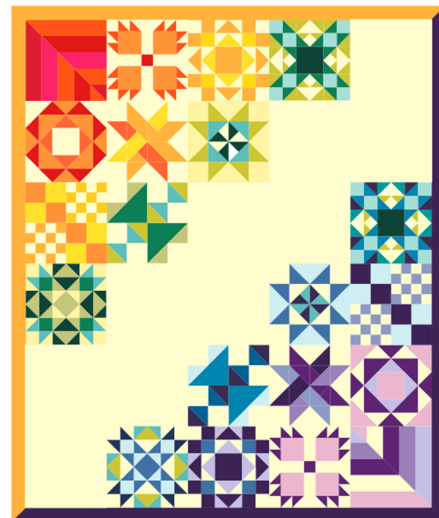

Join the Quilters Select team and members of the Official Quilters Select Facebook Group for a Sampler Series designed for all experience levels. The sampler includes 10 unique blocks, stitched in two color-ways to create a beautiful sampler quilt (*Layout 1*). Or opt to repeat two of your favorites for a modern 12 block layout (*Layout 2*). Or stitch your completed blocks into a layout that suits your style.

We'll take two weeks for each block (one week per color variation), allowing time to experiment with color & fabric placement. For those who wish to stitch at a slower pace, use the two weeks to perfect your block and complete a 12-block layout.

All resource links will be emailed and posted on the Facebook Group page.
