Mats, Rulers, & Cutters

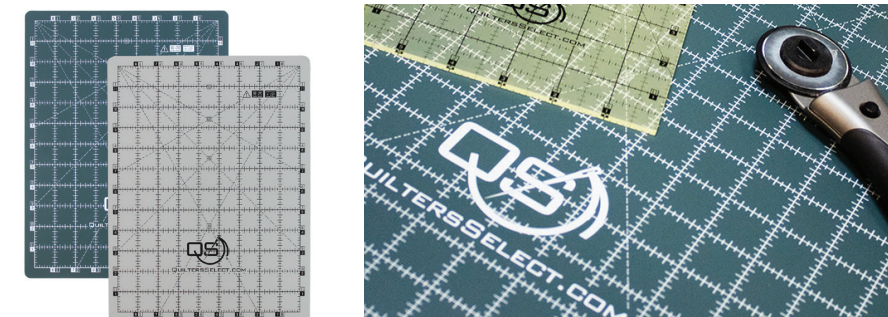

Developed by quilters and for quilters.

Look for Alex Anderson approved products at your local independent Sewing or Quilt Shop.

www.QuiltersSelect.com

Dual Sided Select Cutting Mats

- Multi-layer mat featuring a light and a dark side.
- Created with versatility in mind: numbered in both directions around the perimeter, 1/8" increment measurements and multiple angle markings.

- QS-MAT912N
9" x 12"
- QS-MAT1218
12" x 18"
- QS-MAT1824
18" x 24"
- QS-MAT2436
24" x 36"

Select Wool Press & Cut Mat

14" x 14" Mat for Cutting and Ironing

Two great functions in one portable mat!

One side for Cutting!

- 1" markings numbered from right to left/left to right for ambidextrous use.
- Marked in 1/8" increments for your most detailed cutting projects.
- Most common angles included.

One side for Pressing!

- 8mm wool press mat.
- Reduces pressing time by reflecting heat into the fabric, warming the fabric from both sides when pressing.
- Creates crisp, flat seams.
- Perfect for quilt blocks and machine embroidery.

QS-MAT14W

Select Rotary Cutter

- Ergonomic, weighted handle for comfort.
- Magnetic blade replacement system.
- Safety close.
- Made for both right and left handed use.

Replacement blades available.

60mm:
Larger blade for thick materials and heavy fabrics.

- QS-ROTARY60 (60MM CUTTER)
- QS-RB60M-1 (1-PK 60MM REPLACEMENT BLADE)
- QS-RB60M-3 (3-PK 60MM REPLACEMENT BLADE)

45mm:
Most frequently used size for general cutting.

- QS-ROTARY (45MM CUTTER)
- QS-RB45M-1 (1PK 45MM REPLACEMENT BLADE)
- QS-RB45M-5 (5PK 45MM REPLACEMENT BLADE)
- QS-RB45M-3T (3PK 45MM SELECT PRO TITANIUM REPLACEMENT BLADE)

28mm:
Perfect for curves, detailed cutting and trimming.

- QS-ROTARY28 (28MM CUTTER)
- QS-RB28M-3 (3PK 28MM REPLACEMENT BLADE)

Select Ruler Rack

Organize rulers & tools with a convenient wood rack. Available with 3mm or 6mm to store cutting and machine quilting rulers.

- QS-RULRACK3
- QS-RULERACK6

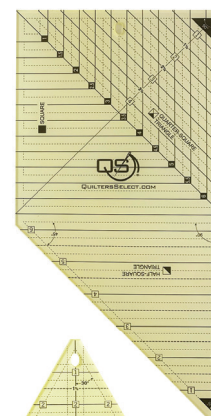

3N1 Half-Square Ruler

Your Ultimate tool for cutting half-square & quarter-square triangle units, plus basic squares up to 6 1/2".

Eliminate the tedious math associated with traditional half and quarter square triangle units.

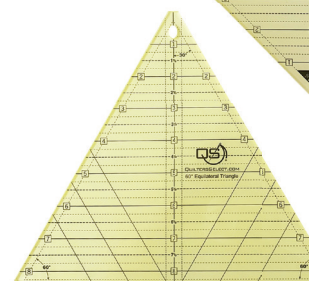

- QS-TRISQU

60 Degree Triangle Ruler

This 8.5" Ruler makes any pattern that requires 60-degree shapes into simple and smooth cutting!

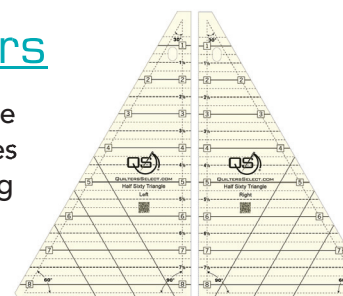

- QS-60TRI

Twin Set of 60 Degree Rulers

The perfect ruler set for patterns requiring accurate half-rectangle, half-diamond, half-trapezoid shapes and more. Unique twin set minimizes errors cutting right or left side half-shapes.

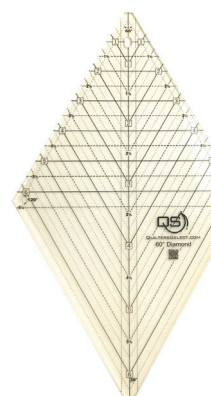

- QS-60TRISSET

60 Degree Diamond Ruler

Cut precise 60-degree diamond based shapes for your quilt or other fabric craft!

- QS-RUL12.5D

QS Ruler Handle

For ease in repositioning the ruler for more accurate cutting!

- Helps move and position your ruler so you can accurately mark and cut your materials, while adjusting on the fly.
- Designed for ambidextrous use.
- The suction cup can be easily released from surfaces by lifting up the small tab on the soft plastic edge.
- Use two handles for large rulers!
- Can be used on nearly all quilting rulers!

- QS HANDLE

Select Dynamic Dresden Rulers

- QS-18DRE
- QS-30DRE

- Unique Non-Slip coating for more accurate cutting.
- Finished Dresden rings up to 20" in diameter with 2" and 3" center ring openings.
- Marked center line for fussy cut fabric alignment.
- Marked in 1/2" increments to easily cut wedges of various heights.
- Available in 18° and 30°.
- Compatible with Dynamic Dresdens book by Susan K Cleveland of Pieces Be With You.

Select Square-It Ruler

Center applied or embroidered blocks and designs with ease.

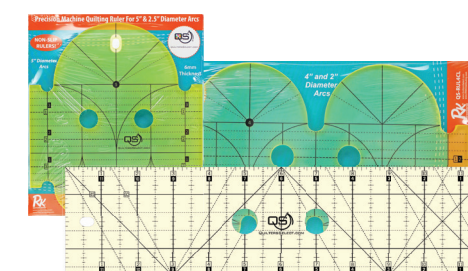

- Inside measurements read from center out.
- Outer edge measurements read left to right.
- 1/4" defined along the outer edge of ruler.
- Easy to read lines in 1/8" increments for marking, measuring and trimming.
- QS-RUL8.5TC> Outer edge 8.5x8.5/ Inner Edge 6.5x6.5
- QS-RUL7.5TC> Outer Edge 7.5x7.5/ Inner Edge 5.5x5.5

- QS-RUL7.5TC
- QS-RUL8.5TC

Select Precision Machine Quilting Ruler

A growing line of machine quilting rulers for domestic and long arm model machines. Featuring the Quilters Select Non-Slip Coating and finger holes for easy movement.
