Be Still: Cutting **Directional** X-Block Construction

Pro-Tips:

- Read through all instructions before beginning.
- Seam Allowance= 1/4"
- X Block construction is the same for each variation shown in the Just the Facts handout; the number of X units needed may differ. Refer to your planned layout/coloring sheet for the number of X units required.
- For the Be Still Layout shown, fifteen X Blocks will be stitched. Each X Block will measure 9 1/2" x 9 1/2" for a finished 9" block.

54 1/2" x 63 1/2" before borders

Assembling the X Blocks:

- Gather four Signature Units; place wrong side up. Position so that the adjoining seams will nest together during construction.
- Stitch the top 2 units together.
- Stitch the bottom 2 units together.
- Stitch Unit A to Unit B.

- Signature units with directional base fabrics will be assembled in the same manner, nesting the side pressed seams with the open seams (mini-nest/refer to video for more details).
