Be Still: Assembling the top

Pro-Tips:

- To make final assembly as seamless as possible, give each X & O block a good press. Each should measure 9 1/2" x 9 1/2" prior to joining the rows.
- Tidy block edges and trim any loose threads.
- Audition color placement of the X & O blocks.
 - Rows 1/4/6 start with an O block; rows 2/5 begin with an X block.
 - Just Breathe strip will be referred to as Row 3.
