## Cutting the Large Star Centers

Large Star Center: Cut (12) 4 1/2" x 4 1/2"

Note: Pre-cut estimates:

- 10x10 fabric stacks (42 pieces) will yield enough fabric for large & small stars. Be sure to cut the 4 12" x 4 1/2" from a corner of the 10x10 for maximum fabric yield.
- Fat Quarter: If cutting multiple center units from on FQ, make the 4 1/2" strip cut on the longer side of the FQ.
